

Assistant Director for National
Estimates 25X1A7b

7 July 1959

Acting Chief, [REDACTED]

NIE Questionnaire

Attached are three completed questionnaires on NIE
70-59, "The Outlook in West Africa Through 1960." Because
of the divergent approaches to reading the NIE's taken by
the three division principals concerned, it seemed more
suitable to execute three separate rather than one con-
solidated questionnaire.
